# DCU SERIES

There are two things that naturally make hard work easier—the right tool and the skill to make it work. The A.R.E. Deluxe Commercial Unit does both. Our rugged, fully welded frame construction offers years of durable service, no matter what the weather or job. Each unit has weather-sealed doors with gas props, heavy-duty hinges, and automotive style locks to protect your valuables. Built to fit any domestic or import truck, the A.R.E. DCU fits like a glove. Whether you have a long bed, short bed, king cab, mini-truck or full size, there's a DCU to meet your needs. Available options make designing the right DCU even easier. Choose from a wide selection of door and window configurations, colors, toolboxes, and overall cap heights.

## Double Full Doors

The Double Full door option offers security and easy access for tradesmen. Welded aluminum roof racks are for safely hauling construction supplies.  
weight - 220 lbs.

## Single Full Door

The Single Full Door option opens to the side. The Steel Locking Ladder Rack allows for quick and safe ladder hauling.  
weight - 190 lbs.

Fold down shelf

Keyless Entry Available

## Wedge Style Roof

D

Our optional wedge design offers improved aerodynamics for tall units. The full hatch rear door makes loading easy. weight - 200 lbs.

## Extra Height

E

Half-rear door meets tailgate and locks securely with A.R.E.'s folding T-handle door latch.

Exclusive STRATTEC® key cylinder meets tough automotive O.E.M. standards.

weight - 140 lbs.

## Camper Style

Camper Style rear doors allow you access through the center access door or to open the full rear door for maximum clearance. DCUs can be equipped with Win-door side doors and/or sliding windows for ventilation.

## Tools for the Trades

Project truck Site Commander was built to show how the pickup could be accessorized in a way that reduces setup time at the job site.

AUTOMOTIVE QUALITY

**OPTIONS**

- 1 Height**  
A.R.E. has four standard heights yet will build caps to meet your specific capacity needs.
- 2 Rear Doors**  
A.R.E. offers five door styles to meet your rear access needs. Custom sizes can be built to accommodate special equipment such as lift gates.
- 3 Side Tool Bins**  
Tool bins are made of .036 galvanized steel with a baked white topcoat. The bins can be custom sized and include dividers and fold-down shelves.
- 4 Roof Racks**  
A.R.E. offers three different racks to meet your specific hauling needs. Locking ladder racks, extra cross bars and supports are available.
- 5 Vapor Barrier Insulation**  
Tough Polyester fabric liner provides protection from condensation.

**STRUCTURE**

- 1 Baserails**  
.080 thick T6 aluminum Baserails with MIG welded corners provide a strong foundation.
- 2 Structural Tubing**  
.050 thick T6 aluminum tubing framework with TIG welded joints, provides strength and support with minimal weight.
- 3 Exterior Skin**  
Aluminum exterior skin provides a superior structure. Available in .030 or .040 thickness.
- 4 Door Frames**  
A.R.E. builds all styles of doors with the same .050 thick wall tubing used in the body frame. All TIG welded joints and continuous hinges assure alignment and durability.

**FINISH**

- 1 Body Colors**  
A.R.E. offers five standard colors of body skin. This color is a baked enamel finish applied to the aluminum skin at the mill. The color is not meant to provide a match to any OEM truck paint, but is intended to accent the truck's appearance without the cost of custom painting.
- 2 Custom DuPont® Paint Finishes**  
Optional two-stage ChromaPremier® paint is offered in any OEM or Fleet color code formula. Applied in our down draft booths and baked on for durability.
- 3 Trims**  
Edge trims are offered in Black or White.

**COMPONENTS**

- 1 Gas Props**  
Our gas props are set to the optimal pressure to assist in lifting and closing each cap door.
- 2 Latches and Locks**  
All doors are equipped with Strattec® OEM automotive grade lock cylinders. The folding T-grip latch handle is durable and offers top security. The cam action deadbolt lock rods with the center point lock provide lifelong trouble free operation.
- 3 Windows**  
A.R.E. offers mitered clear or radius dark tinted tempered safety glass in all doors. Optional heavy aluminum mesh security screens deter unwanted entry.

A.R.E. offers the following standard exterior colors: (Please refer to chart on back for other specific options)

# Trust the Leader The Top Line For Your Truck™

When it comes to designing, producing and delivering commercial grade work caps for pickups, A.R.E. Inc. is top shelf! The A.R.E. DCU offers more strength, durability and work life than any truck cap built today. And the A.R.E. DCU does the job without excessive weight that reduces your payload and fuel economy.

When you purchase a DCU for your truck you have over 400 North American A.R.E. dealerships ready to serve you. Major leasing companies rely on A.R.E. Inc. to provide caps and service to thousands of vehicles they own nationwide. You deserve the same peace of mind that they enjoy. See your local authorized A.R.E. dealer today to order the Deluxe Commercial Unit that meets your needs.

## Limited Warranty

A.R.E. Inc. warrants to the original purchaser of DCU truck caps to be free from defects in structure, materials and workmanship for a period of one year from the date of purchase from an authorized A.R.E. dealership. See the dealership for a copy of the full warranty statement.
